SENATOR SWIGART: Yes, Mr. President, and I spoke to the motion the other day so I would like to move that the Resolution be adopted, or it isn't necessary, I guess.

SENATOR SCHMIT: I would like to ask a question of the Clerk, I suppose, Mr. President. May I do so?

PRESIDENT: Certainly.

SENATOR SCHMIT: Thank you. Mr. Clerk, this Resolution was voted upon and sent to the Committee on Agriculture and Environment for public hearing at a previous session of the Legislature. Does this action today negate that previous action.

CLERK: No, the original resolution was, I believe, LR 1 which is still in your committee for hearing. This is LR 9. This is a new resolution even though it may be worded identical.
